LinkedIn Learning

Free access to thousands of online courses

LinkedIn Learning (previously known as Lynda.com) is a huge library of online, video based, courses covering a wide range of software and IT related topics (as well as soft skills and business skills) for beginners through to experts. The library is available to use for free by all University members who have Single Sign On credentials.

Adding a certificate

You can add a LinkedIn Learning certificate to your LinkedIn profile:

<https://skills.it.ox.ac.uk/files/itlcparticlecertificateaddtoprofilepdf>

Find the resources for this workshop in our IT Learning Portfolio

Download the files
(and more) from the
IT Learning Portfolio at

skills.it.ox.ac.uk/it-learning-portfolio

The screenshot shows the IT Learning Centre website. The header includes the logo and navigation links for Courses, Teaching Rooms, Services, Events, News, and About Us. The main heading is 'IT Learning Portfolio'. Below this, there is a welcome message and a list of resources. The resources are displayed in a table with columns for Audience, Category, Software, and Resource. Each resource entry includes a brief description and a right-pointing arrow icon.

Audience	Category	Software	Resource
3D modelling: Kick-off AND Blender - Up and running (Activity)			AR Effects: Animating texts and graphics (Activity)
